FLOVA BATH & KITCHEN

FLOVA Bath & Kitchen keeps innovating designs and leads bathroom fashion to meet the demands of contemporary users. FLOVA constructs bathrooms into modern living space with product series and solutions from a whole new perspective. The exquisite appearance, functions and structural design of FLOVA products bring about excellent experience for user, highlighting comfort and convenience in bathrooms. Based on outstanding quality for over 25 years, FLOVA faucet integrates with a high degree of comfort and unique innovation designs and provides more choices in order to meet the expectation for high quality in bathrooms.

FLOVA always explores users' demands, provides practical and intimate function designs and brings bathroom experience with tangible benefits: Air-Mix shower with comfortable and water-saving features, new thermostat technology with easy and safe operation, technology of constant flow under fluctuant water pressure, shower sets with swivel diverters saving shower space, smart touch control faucet with reliable and easy operation functions, and kitchen faucet extension technology realizing distant water filling. FLOVA's design culture also integrates with more function innovations and ensures simplistic, smooth and elegant styling of faucets at the same time.

FLOVA has been diving into researches for 25 years, aiming at better shower comfort through providing millions of quality bath kitchen products for nearly 70 countries in West Europe and North America. It is believed that our bathroom needs comfort and elegance more than exaggeration and excessive luxury. For FLOVA, comfort comes from the perfect balance among quality, technology and design. It is a combination of quality materials, advanced manufacturing techniques and function innovation. Moreover, FLOVA upholds comfort as value proposition on its way to become a global sanitary ware brand.

ISO 9001 Certificate

ISO 14000 Certificate

China Environmental Labeling

Metal Contaminants Safety Certificate

Water Conservation Certification

European CE Certificate

What kind of color can adapt to the popularity of the era, but not fade over time?
This thinking caused us to test all sorts of colors in the laboratory. FLOVA ORB finish
was then born. The Liberty ORB products extend the classical design, exquisite and
luxurious as the palace, and derive the rich cultural connotation, giving a kind of
temperament and accomplishment to the modern life.

FH 9809-D100-ORB
Single lever basin mixer

Exquisite casting technology, classical and magnificent color and extended spout design light up the individual light for your bathroom. As the art and function are equally important today, the Liberty faucet is always the highlight in your bathroom.
